

Ninja™ MICRO

SUBMARINE™ Camcorder

- ① Place Ninja Micro™ camcorder into the assembly slot of the waterproof case and then completely fasten the door latch.

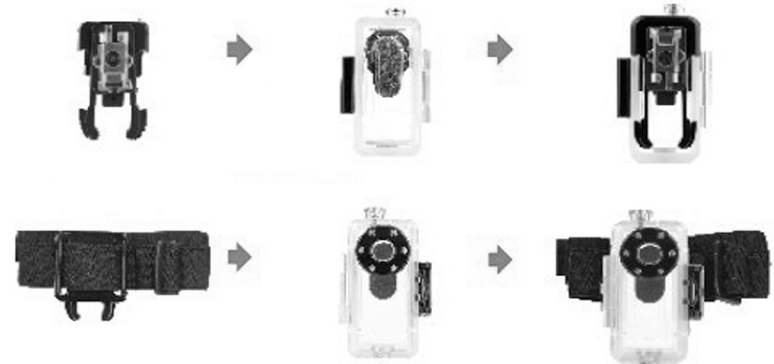

- ② Slot the Spring Clip to the back of the waterproof case. You can then clip the Submarine on to your dive suit.

OR

- ③ Slot the Strap Mount Pin to the back of the waterproof case. Then clip the waterproof case to the Mount Holder on the Elastic Strap. You can then wear the strap to your arms or diving equipments.

IP68 rated waterproof case for up to 20m underwater
